WIX

A seasoned, self-starter, goal-oriented graphic designer / production artist / photographer. I have an in-depth understanding of key principles in these three areas: has enabled a track record of seamless execution of projects on-time and on-budget. Experience producing various communication vehicles in diverse industries.

Photography is a passion. My photography contribution can be seen on National Geographic Your Shot, 500px, Photoed, Adobe Stock and iStock photo.

Examples of Past Work

Print production, corporate identity, packaging, print collateral, POS, POP, magazine publishing and web design/production, corporate video, studio photography, on-site photography, photo retouching / manipulation.
